

## LOCAL PRODUCE FREE DELIVERY SERVICE

If you want more local food on your table, don't have time to source it and are concerned about food miles...  
**THIS IS THE SERVICE FOR YOU!**

As members of Wiltshire Farmers Markets for the past 6 years, we have built working relationships with many local producers.

It doesn't make environmental sense to have several delivery vans arriving at your door, each with a different product... and it's so convenient to buy it all in one place... the supermarket??? - NO!

Here is a selection of day-to-day foods from local producers which we can deliver to your door once a week (or as you wish). Simply order £10 or more of our meat (pork or beef) then add on anything else you'd like and we'll deliver in our chiller van.

If you can't find something you'd like, please let us know and we'll try to source it locally.

In the future, we expect to offer other fair trade and ethically produced household goods. Please register at [www.vowleyfarm.co.uk](http://www.vowleyfarm.co.uk) to receive regular updates about this service.

## GLoucester Old Spot PORK

Throughout the year our pigs are free to express their inherent nature which is satisfaction personified. We feed them on beans, barley, oats and fresh vegetables. The result is happy pigs which produce juicy, flavoursome meat with a good layer of sweet fat.
